Overview

For harsh environments, Abel Energy and Tutai Electric provide robust IP65/IP55-rated units with integrated air conditioning at competitive mid-range pricing (\$168-\$320). Budget deployments favor Foshan Yuhe's IP65 cabinets at \$100/box MOQ, albeit with limited size options. Prices for outdoor telecom cabinets as of 2025 can run anywhere from \$900 to \$5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. In the following article, I'll walk you through typical cost. Shanghai Huijue Technologies offers premium Fortune 500-validated solutions with volume discounts down to \$146/set, though their basic models lack explicit cooling specs. 1 billion in 2024 and is projected to reach USD 8. Costs vary widely, from affordable models to premium designs tailored for specific needs, reflecting the diverse requirements of the telecom industry.
